8:15 a.m. – 5:00 p.m.**

**Wednesday, October 6th
8:15 a.m. – 11:30 a.m.**

TOPICS TO BE DISCUSSED

- Product Overview – Centrifugal and Axial
- How to Select the Right Fan
- Fumehood Exhaust Applications
- System Effects (Field Performance Issues)
- Fan Selector Basics and Features
- Gravity Ventilator Pricing and Website
- New Products and “In Development”

ADDITIONAL WEDNESDAY SESSION

- Competitive Product Comparisons
- How To Process Warranty Claims
- Show Trailer Training
- Open Forum – Rep Input

Hotel, food, and local transportation will be provided by Twin City Fan & Blower at **NO COST** to you. Airfare and other miscellaneous expenses will be covered by the reps.

Please don't hesitate to contact Deb Wilson at dwilson@tcf.com or 763-551-7540.

We will be hosting a social/networking evening on Monday, October 4th starting at 6 p.m. at the Radisson Hotel in Plymouth, MN. Twin City Fan will host a group dinner on Tuesday, October 5th, following the training. We will have a special session with new content during the morning of Wednesday, October 6th and will have box lunches available for those leaving Wednesday afternoon.

Twin City Fan & Blower is an industry leader, designing and manufacturing high quality fans and blowers for all fan applications from heavy industrial to light commercial. This training is limited to 40 people, so register online early at www.tcf.com. The online Attendee Information Form should be completed for each person attending.
